To assist in providing a safe, positive and supportive environment for all partners at Miles State High, it is important that we have timely, open and transparent communication to assist and address any queries or concerns that may arise throughout the year. We encourage all parent/carers to take an active role in communicating with Miles State High School staff. To assist this process, please contact Miles State High School staff between the hours of Monday – Friday 8:00am – 4:00pm. For any communication made, staff will endeavour to respond within 48 hours. If you are unsure who to contact, please refer to the Parent/Carer Communication Flowchart or alternatively contact the administration office on 07 4628 5111. We invite our school community to respectfully communicate and collaborate with members of our school team so that together we continue to support your child to realise their unique potential.
