To assist in providing a safe, positive and supportive environment for all partners at Miles State High, it is important that we have timely, open and transparent communication to assist and address any queries or concerns that may arise throughout the year. We encourage all parent/carers to take an active role in communicating with Miles SHS staff. To assist this process, the following Communication Flowchart is provided. Partners in Learning is underpinned by parent/carers and school staff working together to support every student to achieve successful outcomes.

If you have a question or concern and it relates to your school fees or finances, please contact our
Business Manager Renae Turvey 46285111
