

Customer complaints management

1. Purpose

Miles State High School appreciates and acknowledges that parents, carers, students and community members have a right to make a complaint. This document outlines how

Miles State High School will manage these complaints.

2. What is a customer complaint?

A complaint is a customer complaint if the person is unhappy with the service or action of Miles State High School or our staff, and directly affected by the service or action they are unhappy with.

In our Miles State High School, the person making a complaint will usually be a parent, carer, student or other school community member, but could also be anyone else directly impacted by something at our Miles State High School

Some complaints must be managed using different processes. These include:

- issues about harm, or risk of harm, to a student attending a state Miles State High School, which must be managed in accordance with the [Student protection procedure](#); and
- complaints about corrupt conduct, public interest disclosures, or certain decisions made under legislation – refer to the [Excluded complaints factsheet](#) for more information.

3. Roles and responsibilities

We treat everyone with respect, courtesy and fairness, and aim to act compatibly with human rights.

Our responsibilities include:

- following the customer complaints management [framework](#), [policy](#) and [procedure](#) when managing complaints;
- resolving complaints promptly; and
- providing information about our processes, timeframes and any available review options.

If someone makes a complaint, they also have responsibilities, including:

- cooperating respectfully and understanding that unreasonable conduct will not be tolerated;
- giving us a clear idea of the issue or concern and a possible solution;
- providing all relevant information when making the complaint;

- understanding that addressing a complaint can take time; and
- letting us know if something changes, including if help is no longer needed.

4. Complaints management process

At Miles State High School, our complaints management process involves the following steps:

i. Receipt

The complaint should be made where the problem or issue arose. At Miles State High School, we ask parents, carers, students or community members who would like to make a complaint to in the first instance please follow the School Communication Flowchart.

The following information should be provided when making a complaint:

- what happened, including when and where it occurred, and who was involved; and
- what outcome or solution you are seeking to address your issue or concern.

We accept anonymous complaints, however it is important to understand that this could limit how a complaint is assessed and resolved, and it may also prevent an outcome being provided.

ii. Assessment and management

We will examine the issue(s) raised and try to resolve the complaint. We aim to do this promptly, but understand that we have many other responsibilities and it may not be possible to make contact or resolve a complaint immediately.

iii. Providing an outcome

Once we finish examining the complaint, we will let the person who has made the complaint know the outcome and any available review options.

5. Review options

If the person who has made the complaint is dissatisfied with the outcome or the way we handled their complaint, they can contact the [regional office](#) to ask for an internal review. A [Request for internal review form](#) should be completed and the request should be submitted within 28 days.

There is also an external review option (for example, the Queensland Ombudsman or Queensland Human Rights Commission), which becomes available once the department's complaints process has been exhausted.
